Continuation of 3(c) Other: The drawings submitted do not appear to address the features listed in the previous action. Various problems exist and it appears the applicant merely submitted a copy of the previously submitted drawings..

***Response to Amendment***

1. The reply filed on December 27, 2004 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): the applicant has not submitted formal drawings, which are clear and in compliance with 37 CFR 1.84. The drawings submitted appear to have the same problems as the ones initially submitted. That is, various lines are not clearly defined. The figures listed in the previous action was merely an example of the problems with the drawings. Similar types of problems exists with other drawings in which the copy provided does not have clearly defined lines and many of the figure consist of shaded portions which make the wording unclear. Again, it is recommended that the applicant seek the assistance of a professional draftsman in order to bring the drawings in compliance with 37 CFR 1.84. Drawing corrections will no longer be held in abeyance. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment.

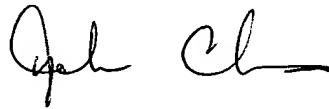

EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
